CHORE & DELIVERY CLIENTS, PLEASE NOTE:

- LAKES AND PINES SENIOR SERVICES PROVIDES ONLY THE VOLUNTEER LABOR AND TOOLS NEEDED TO PERFORM YOUR REQUESTED CHORES.
 - YOU ARE RESPONSIBLE FOR SUPPLYING THE NEEDED MATERIALS FOR YOUR CHORES (light bulbs, batteries, grab bars, leaf bags, paint, etc).
 - Lakes and Pines Senior Services coordinates the volunteers to perform the services and follows up to ensure satisfactory completion and to assess future needs.
 - Volunteers do not accept any payment for their services.
 - In accordance with the Minnesota Dep't of Human Services and the Live Well at Home grant, which funds a portion of our Senior Services program, we are required to offer participants the opportunity to voluntarily contribute towards the cost of the services they receive.
 - The following sliding fee scale (cost-sharing schedule) is based upon program costs and the current Federal Poverty Guideline (FPG). Determination of eligibility to cost-share is based solely on self-reporting of gross household income.
 - Lakes & Pines protects this information, adhering to established MN Data Practices procedures.
 - All individual contributions are kept confidential and funds collected through contributions are used to sustain and expand our Senior Services programs.
 - After the chore is completed, you will receive a letter noting the volunteer hours devoted to your chore and a suggested cost-sharing rate, based upon your income (see below). You also will receive 2 brief surveys to complete and return to Lakes and Pines. Please return the surveys to help us assess our programs.
 - The services, facilities, and benefits of this program are for the use of all older people and people with disabilities, regardless of race, color, sex, sexual orientation, religion, disability, or national origin. Any individual who feels he or she has been denied the opportunity to participate in this program and wishes to file a complaint of discrimination should write to Executive Secretary, MN Board on Aging, 540 Cedar Street, St. Paul, MN 55101.
 - **Services are provided, according to volunteer availability, regardless of your ability or willingness to contribute financially.**
-

Financial support for these services is provided, in part, by a Live Well at Home grant from the MN Department of Human Services. Additional financial support may be provided from program participants using a sliding fee scale:
